7th-9th

August 2018
Kochi, India

DEPARTMENT OF COMPUTER SCIENCE
COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY (CUSAT), KOCHI, INDIA

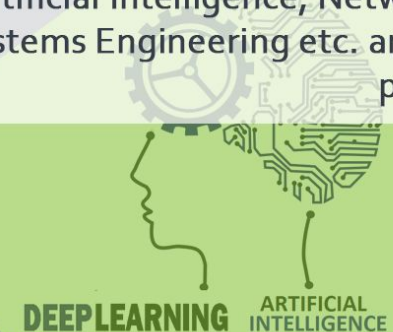

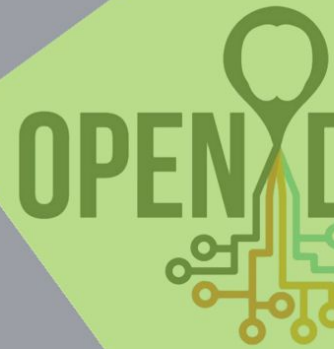

About DCS

The Department of Computer Science came into existence in 1984 with an M.Tech. course in Computer and Information Science, which was the first in the state of Kerala. In 1986, the Department was identified by the Defence Research and Development Organisation for conducting an M.Sc. programme in Computer Software, as a feeder course to the DRDO Laboratories. The department served as a seeding agent for the establishment of Computer Centre, which was inaugurated by the then Prime Minister in 1990. The department was entrusted with the responsibility of conducting the MCA programme in June 1994, which helped to streamline the course and setting it into the right track. The B.Tech. course started in 1996, was given co-ordinating support by the department in the branch of Computer Science & Engineering. A new M.Tech. programme in Software Engineering sponsored by UGC was also started in the academic year 2000-2001. Ph.D. programme in the areas of Artificial Intelligence, Networking, Information Systems Engineering etc. are being pursued.

About ICDSE

The rapid development of computer science and information technology in the last couple of decades has generated massive amount of data and fundamentally changed every field in science and engineering. Many disciplines are now rich in data and tend to adopt data science or data-intensive engineering methodologies to do research and development. Scientific approach to process data involving the engineering aspects as well, would lead to major strides in the domains of data, information and knowledge which contribute to the evolving knowledge society. This conference is intended to take stock of the trends and developments in the globally competitive environment as well as to provide indicators for future directions to researchers and practitioners

Sponsorship Tiers

Platinum

INR 2,00,000

Advertisement in the delegate welcome kit | 3 complimentary registrations | Exhibition space | Speaker slot | Organization's logo on summit website and backdrop in the venues | Presentations or Videos of not more than 3 minutes provided by the sponsor displayed at the venues before events and between programs.

Gold

INR 1,00,000

Advertisement in the delegate welcome kit | 2 complimentary registrations | Exhibition space | Organization's logo on summit website and backdrop in the venues

Silver

INR 50,000

Recognition during all major summit functions. | 1 complimentary registrations | Exhibition space | Organization's logo on summit website and backdrop in the venues

Bronze

INR 25,000

Recognition during all major summit functions. | Exhibition space | Organization's logo on summit website and backdrop in the venues | Any goodies provided will be put in the summit kits.
